LIFTED MUSIC REVIEW

ARTIST: SHANE BECKER
NEW TRACK: "BREAK"

Shane Becker is a South Jersey-based singer-songwriter. His new track, "BREAK" with Thomas LaVine, juggles the intense raw emotion of the lyrics with the ethereal, yet hard-hitting electronic beat. Imagine Bruce with GarageBand and a loop pedal in the Asbury Park days! Shane has also released under the name Indian Run.

**South Camden Theatre
Company presents: Dot**
(written by Colman Domingo)

The holidays are always a wild family affair at the Shealy household. But this year, Dotty and her three grown children gather with more than exchanging presents on their minds. As Dotty struggles to hold on to her memory, her children must fight to balance caring for their mother with caring for themselves. This twisted and hilarious play grapples unflinchingly with aging parents, midlife crises, and the heart of a West Philly neighborhood.
